Robert C. Cogswell, Jr., Esq.  
City Attorney  
P.O. Box 1513  
Fayetteville, North Carolina 28302-1513

Dear Mr. Cogswell:

This refers to the increase in the compensation for the mayor and councilmembers of the City of Fayetteville in Cumberland County, North Carolina, submitted to the Attorney General pursuant to Section 5 of the Voting Rights Act, 42 U.S.C. 1973c. We received your submission on July 3, 1996.

The Attorney General does not interpose any objection to the specified change. However, we note that Section 5 expressly provides that the failure of the Attorney General to object does not bar subsequent litigation to enjoin the enforcement of the change. See the Procedures for the Administration of Section 5 (28 C.F.R. 51.41).

Sincerely,

Deval L. Patrick  
Assistant Attorney General

#### .0002 PURCHASES EXCEEDING \$5,000

~~Purchases amounting to five thousand dollars (\$5,000) or more, for items not on contract certification are requisitioned through the Division of Purchase and Contract in accordance with that division's prescribed procedures. Purchase orders are issued directly to the supplier for items authorized by contract certification. The Ports Authority may effect purchases through the division of purchase and contract for amounts less than five thousand dollars (\$5,000), at its discretion.~~

*Authority G.S. 143-52; 143B-453; 143B-454; 143B-465.*

#### .0003 PURCHASES NOT EXCEEDING \$5,000: CERTIFICATION CONTRACTS

~~Procedures for effecting purchases, for items which are available on contract certification, which are in amounts less than five thousand dollars (\$5,000) are as follows:~~

- ~~(1) A purchase order will be issued by the purchasing officer when available items or their functional equivalent may be obtained in accordance with an established contract certification.~~
- ~~(2) The purchase orders of the Ports Authority are serially numbered and clearly indicate that the North Carolina State Ports Authority is the issuer of the purchase order. It gives the date and the complete address of the supplier to whom it is being sent. It requests delivery to the North Carolina State Ports Authority at whichever port is appropriate, Morehead City, or Wilmington, and to the person who is to receive the goods or services ordered at the appropriate port. Instructions will state the address to which the invoice will be directed. The purchase order provides space for the quantity of the items ordered, the description, the unit price and the total price. A space is provided to show reference to the contract certification number, if applicable. The purchasing officer signs the purchase order or it may be signed by a designated person in the Morehead City office.~~

*Authority G.S. 143B-453; 143B-454; 143B-465.*

#### .0004 PURCHASES NOT EXCEEDING \$5,000: INFORMAL QUOTATIONS

~~If a contract certification is not in effect for a particular item, prior to the issuance of a purchase order, informal quotations for purchases which are less than five thousand dollars (\$5,000) are obtained, whenever possible. This may be done in several ways:~~

- ~~(1) A written request for quotations may be made using a quotation form. The request for quotation will clearly indicate that the agency requesting the quotation is the North Carolina State Ports Authority. It will give the number of the request for quotation and the date issued, clearly indicating that it is not an order. The quotation form has~~

room to indicate the Port Authority's delivery requirement, quantity and description of items. Prospective vendors have space to show their delivery date, terms and price.

- (2) If it appears in the judgement of the purchasing officer that the request for quotation can better be handled by correspondence, a letter will be written to prospective suppliers requesting quotations. The responses from the suppliers become a matter of record.
- (3) When time does not permit the use of the informal quotation form or the correspondence method, quotes may be received by the purchasing officer making telephone calls to several suppliers in order to secure the desired item or items at the best possible price. The results of the telephone calls are tabulated by the purchasing officer and are retained as a matter of record.

**TITLE 10 - DEPARTMENT OF HUMAN  
RESOURCES**

**SECTION .0200 - CONTESTED CASES:  
ADMINISTRATIVE REVIEWS: APPEALS  
HEARINGS**

**N**otice is hereby given in accordance with G.S. 150B-21.2 that the Department of Human Resources, Division of Vocational Rehabilitation Services intends to amend rules cited as 10 NCAC 20B .0204, .0205, .0206, .0208, .0209, .0210, .0214, .0218, .0222, .0224, .0226, .0227; 20C .0603. Notice of Rule-making Proceedings was published in the Register on July 15, 1996.

**Proposed Effective Date:** April 1, 1997

**A Public Hearing** will be conducted at 6:00 p.m. on October 16, 1996 at the Main Conference Room, Division of Vocational Rehabilitation Services, 805 Ruggles Drive, Dorothea Dix Campus, Raleigh, NC.

**Reason for Proposed Action:**

10 NCAC 20B .0204, .0205, .0206, .0208, .0209, .0210, .0214, .0218, .0222, .0224, .0226, and .0227 - are being amended to clarify that the state plan includes the State Plan for Independent Living Services and to indicate that certain duties related to the appeals process, which were previously performed by the Division's Deputy Director, will now be performed by the Chief of Operations as the Division no longer has a Deputy Director position, to clarify language, and to remove reference to subpoenas in .0214 as the Division does not have authority to issue subpoenas.

10 NCAC 20C .0603 - is being amended because the rule does not meet all the requirements of the final federal regulation on the order of selection for service process. The current priority No. Three for "individuals being served by a program designed to help individuals transition from school to work" does not meet the requirement that priority be based on severity of disability.

**Comment Procedures:** Comments may be presented orally or in writing at the hearing. Oral statements may be limited at the discretion of the hearing officer. Written comments may also be submitted until October 31, 1996 to Jackie Stalnaker, Division of Vocational Rehabilitation Services, P.O. Box 26053, Raleigh, NC 27611. To obtain additional information or indicate need for alternative communication format contact Ms. Stalnaker in writing or by phone (919) 733-3364 or TDD (919) 733-5924. In addition, a fiscal note is available upon written request from the same address.

**Fiscal Note:** These Rules do not affect the expenditures or revenues of state or local government funds. These Rules do not have a substantial economic impact of at least five million dollars (\$5,000,000) in a 12-month period.

\*\*\*\*\*

**N**otice is hereby given in accordance with G.S. 150P-21.2 that the Department of Human Resources, Division of Vocational Rehabilitation Services intends to amend rule cited as 10 NCAC 20D .0204. Notice of Rule-making Proceedings was published in the Register on July 15, 1996.

**Proposed Effective Date:** July 1, 1997

**A Public Hearing** will be conducted at 6:00 p.m. on October 16, 1996 at the Main Conference Room, Division of Vocational Rehabilitation Services, 805 Ruggles Drive, Dorothea Dix Campus, Raleigh, NC.

**Reason for Proposed Action:** Due to a reduction in force of staff within the Division of Vocational Rehabilitation Services directly responsible for administering the standards of client services delivery review process within Community Rehabilitation Programs, the Division must pursue alternative measures to ensure that expected levels of client service delivery standards are met. The acceptance of National standards and accreditation process or the acceptance of Division of Mental Health/Developmental Disabilities/Substance Abuse Services standards and accreditation process will enable the Division to document through third parties that acceptable standards of service delivery are in place at Community Rehabilitation Programs contracting with the Division of Vocational Rehabilitation Services to provide Vocational Evaluation/Vocational Work Adjustment Services and/or Supported Employment Services. This rule change is also in response to requests from Community Rehabilitation Programs that the Division allow them to avoid undergoing National Accreditation if they currently are accredited by the Division of Mental Health/Developmental Disabilities/Substance Abuse Services. The initiation of this rule change will also further enhance State Government's efforts to contract work to private enterprise.

**Comment Procedures:** Comments may be presented orally or in writing at the hearing. Oral statements may be limited at the discretion of the hearing officer. Written comments

may also be submitted until October 31, 1996 to Jackie Stalnaker, Division of Vocational Rehabilitation Services, P.O. Box 26053, Raleigh, NC 27611. To obtain additional information or indicate need for alternative communication format contact Ms. Stalnaker in writing or by phone (919) 733-3364 or TDD (919) 733-5924. In addition, a fiscal note is available upon written request from the same address.

**Fiscal Note:** This Rule does not affect the expenditures or revenues of state or local government funds. This Rule does not have a substantial economic impact of at least five million dollars (\$5,000,000) in a 12-month period.

## SUBCHAPTER 20D - STANDARDS FOR FACILITIES AND PROVIDERS

### SECTION .0200 - STANDARDS FOR FACILITIES

#### .0204 COMMUNITY REHABILITATION PROGRAM STANDARDS

(a) ~~The Division of Vocational Rehabilitation Services presently utilizes those community sheltered workshops and rehabilitation facilities which have been developed through cooperative working relationships with the Division and have demonstrated an ability through agency reviews to provide a comprehensive range of quality rehabilitation services. In addition to the aforementioned conditions of developing and maintaining cooperative working relationships, the Division will require that by January 1, 1982, all community sheltered workshops and rehabilitation facilities providing services to clients of the Division to be accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF).~~

(b) ~~Community sheltered workshops and rehabilitation facilities established after January 1, 1980 for the purpose of providing services to clients of the Division must apply for and receive accreditation from the Commission on Accreditation of Rehabilitation Facilities (CARF) no later than the end of the fourth year of operation. The establishment date for purposes of this Rule will be established in writing to the community sheltered workshop or rehabilitation facility by the Director of the Division of Vocational Rehabilitation Services.~~

(c) ~~As of January 1, 1982, except for those exceptions noted in .0207(b) of this Rule, a community workshop or rehabilitation facility must be accredited by the Commission on Accreditation of Rehabilitation Facilities in order to provide services to clients of the Division.~~

(a) The Division shall utilize only those community rehabilitation programs that are accredited according to the provisions of this Rule.

(b) The following definitions apply to the terms as used in this Rule:

(1) "Fee for service funding" means an hourly rate, fee for service method of funding in which an hourly cost of providing the service

is identified and the program is reimbursed based on the number of hours of actual services provided.

(2) "Fixed-level annual reimbursement process" means a funding method in which the Division reimburses the program for expenditures monthly at a rate of one-twelfth (1/12) of a negotiated annual budget.

(c) Community rehabilitation programs that apply for a fixed-level annual reimbursement process shall be accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF), the Accreditation Council, or the International Center for Clubhouse Development.

(d) Community rehabilitation programs providing evaluation, adjustment, or supported employment services which are not accredited by any of the accreditation bodies specified in Paragraph (c) of this Rule may apply for fee for service funding if they are accredited by the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services.

(e) Any program accredited by one of the specified accrediting bodies shall submit to the Division a copy of its accreditation report within 30 days after the program receives its report each time it is surveyed by the accrediting body. The program shall notify the Division of any action taken that affects its accreditation status, either temporarily or permanently. The Division may conduct annual validation surveys to assure compliance.

## CHAPTER 13 - SOLID WASTE MANAGEMENT

### SUBCHAPTER 13B - SOLID WASTE MANAGEMENT

#### SECTION .1600 - REQUIREMENTS FOR MUNICIPAL SOLID WASTE LANDFILL FACILITIES (MSWLFs)

##### .1627 CLOSURE AND POST-CLOSURE REQUIREMENTS FOR MSWLF FACILITIES

(a) Purpose. This Rule establishes criteria for the closure of all MSWLF units and subsequent requirements for post-closure compliance. The owner or operator is required to develop specific plans for the MSWLF facility under Rule ~~.1629~~ .1629 of this Section.

(b) Scope.

(1) Closure. Standards are established for the scheduling and documenting closure of all MSWLF units, and designing the cap system. Construction requirements for the cap system incorporate

specific requirements from Rule .1624 of this Section.

(2) Post-closure. Standards are established for the monitoring and maintenance of the MSWLF unit(s) following closure.

(c) Closure criteria.

(1) New and existing MSWLF units and lateral expansions shall install a cap system that is designed to minimize infiltration and erosion. The cap system shall be designed and constructed to:

(A) Have a permeability less than or equal to the permeability of any base liner system or the in-situ subsoils underlying the landfill, or the permeability specified for the final cover in the effective permit, or a permeability no greater than  $1 \times 10^{-5}$  cm/sec, whichever is less;

(B) Minimize infiltration through the closed MSWLF by the use of a low-permeability barrier that contains a minimum 18 inches of earthen material; and

(C) Minimize erosion of the cap system and protect the low-permeability barrier from root penetration by use of an erosion layer that contains a minimum of six inches of earthen material that is capable of sustaining native plant growth.

(2) The Division may approve an alternative cap system if the owner or operator can adequately demonstrate the following:

(A) The alternative cap system will achieve an equivalent or greater reduction in infiltration as the low-permeability barrier specified in Subparagraph (1) of this Paragraph; and

(B) The erosion layer will provide equivalent or improved protection as the erosion layer specified in Subparagraph (3) of this Paragraph.

(3) Construction of the cap system for all MSWLF units shall conform to the requirements set forth in Subparagraphs (b)(8), (b)(9) and (b)(15) of Rule .1624 and the following requirements:

(A) Post-settlement surface slopes shall be a minimum of five percent and a maximum of 25 percent; and

(B) A gas venting or collection system shall be installed below the low-permeability barrier to minimize pressures exerted on the barrier.

(4) Prior to beginning closure of each MSWLF unit as specified in Subparagraph (5) of this Paragraph, an owner or operator shall notify the Division that a notice of the intent to close the unit has been placed in the operating record.

(5) The owner or operator shall begin closure activities of each MSWLF unit no later than 30 days

after the date on which the MSWLF unit receives the known final receipt of wastes or, if the MSWLF unit has remaining capacity and there is a reasonable likelihood that the MSWLF unit will receive additional wastes, no later than one year after the most recent receipt of wastes. Extensions beyond the one-year deadline for beginning closure may be granted by the Division if the owner or operator demonstrates that the MSWLF unit has the capacity to receive additional wastes and the owner or operator has taken and will continue to take all steps necessary to prevent threats to human health and the environment from the unclosed MSWLF unit.

- (6) The owner or operator of all MSWLF units shall complete closure activities of each MSWLF unit in accordance with the closure plan within 180 days following the beginning of closure as specified in Subparagraph (5) of this Paragraph. Extensions of the closure period may be granted by the Division if the owner or operator demonstrates that closure will, of necessity, take longer than 180 days and they have taken and will continue to take all steps to prevent threats to human health and the environment from the unclosed MSWLF unit.
- (7) Following closure of each MSWLF unit, the owner or operator shall notify the Division that a certification, signed by the project engineer verifying that closure has been completed in accordance with the closure plan, has been placed in the operating record.
- (8) Recordation.
  - (A) Following closure of all MSWLF units, the owner or operator shall record a notation on the deed to the landfill facility property, or some other instrument that is normally examined during title search, and notify the Division that the notation has been recorded and a copy has been placed in the operating record.
  - (B) The notation on the deed shall in perpetuity notify any potential purchaser of the property that:
    - (i) The land has been used as a landfill facility; and
    - (ii) Its use is restricted under the closure plan approved by the Division.
- (9) The owner or operator may request permission from the Division to remove the notation from the deed if all wastes are removed from the facility.
- (10) Existing MSWLF units. The following criteria shall apply to existing MSWLF units not designed and constructed with a base liner system permitted by the Division.
  - (A) ~~The existing MSWLF unit shall cease receiving solid waste on or before January~~

~~1, 1998. The permittee of a MSWLF unit receiving municipal solid waste on the effective date of this Rule shall submit an amended transition plan by April 1, 1997. The amended transition plan shall include the following:~~

- ~~(i) A cap system designed in accordance with Rule .1624(b)(8), (9) and (15) of this Section and the following requirements:
 
  - ~~(I) On slopes less than or equal to 8 percent, the cap system shall consist of a composite liner with a geomembrane liner and either a compacted clay layer of 18 inches of soil with a permeability no greater than  $1 \times 10^{-5}$  cm/sec or a geosynthetic clay liner;~~
  - ~~(II) On slopes greater than 8 percent, the cap system shall consist of either a compacted clay layer of 18 inches of soil with a permeability of  $1 \times 10^{-7}$  cm/sec or a geosynthetic clay liner or a geomembrane liner; and~~
  - ~~(III) Other components of the cap system shall be required as necessary to protect the liner system, sustain vegetation, promote drainage, minimize soil loss due to erosion and provide slope stability.~~~~
- ~~(ii) An analysis of the costs of the proposed design in comparison to the cap design specified in Subparagraph (c)(1) of this Paragraph;~~
- ~~(iii) The current costs of operation of the MSWLF unit on a tonnage basis; and~~
- ~~(iv) A proposed closure date based on the amount of time after January 1, 1998, not to exceed five years, necessary to fund the difference between the proposed design and the cap design specified in Subparagraph (c)(1) of this Paragraph. The proposed closure date shall be determined by the following calculations:
 
  - ~~(I)  $SACT - CPTO = RG/T$  where SACT is the state average cost per ton for disposal in a lined MSWLF [\$30.41]; CPTO is the cost per ton to operate the MSWLF unit, and RG/T is the revenue to be~~~~

generated per ton for funding the proposed design.

(II)  $RG/T \times T/DD = RG/D$  where RG/T is revenue generated per ton; T/DD is tons per day disposed at the MSWLF unit, and RG/D is revenue generated per day.

(III)  $CPD = C1627 = RN$  where CPD is the cost of the proposed design; C1627 is the cost of the design under .1627(c)(1), and RN is revenue needed.

(IV)  $RN \div RG/D = D98$  where RN is revenue needed; RG/D is revenue generated per day and D98 is the days past January 1, 1998.

(B) If an amended transition plan is approved but revenues that are projected to be generated within five years of January 1, 1998 do not offset the costs of the proposed design, a municipal solid waste landfill unit shall stop receiving municipal solid waste on or before January 1, 1998, and install a cap system that, at a minimum, meets the requirements of Subparagraph (c)(1) of this Rule, unless the permittee agrees to fund the remaining costs of the proposed design of the amended transition plan.

(C) The cap system designed under Subpart (c)(10)(A)(i) of this Paragraph shall cover all areas of contiguous waste of the existing MSWLF unit, and contiguous areas where waste was placed prior to October 9, 1991.

(D) An amended transition plan submitted under this Section shall be subject to the permitting and public information procedures of Rule .1603(c) of this Section.

(E) (B)The Division shall schedule closure of the existing MSWLF unit based on its review of the application submitted in accordance with Paragraph (d) of Rule .1617 and reviewed in accordance with Subparagraph (d) of Rule .1603. amended transition plan and in accordance with Part (c)(10)(A) of this Paragraph.

(C) Final contours for the existing MSWLF unit shall be consistent with the capacity requirements necessary to close the unit in accordance with the requirements of this Subparagraph.

(d) Post-closure criteria.

(1) Following closure of each MSWLF unit, the owner or operator shall conduct post-closure care. Post-closure care shall be conducted for 30 years,

except as provided under Subparagraph (2) of this Paragraph, and consist of at least the following:

(A) Maintaining the integrity and effectiveness of any cap system, including making repairs to the cover as necessary to correct the effects of settlement, subsidence, erosion, or other events, and preventing run-on and run-off from eroding or otherwise damaging the cap system;

(B) Maintaining and operating the leachate collection system in accordance with the requirements in Rules .1624 and ~~.1626~~ .1626 of this Section. The Division may allow the owner or operator to stop managing leachate if the owner or operator demonstrates that leachate no longer poses a threat to human health and the environment;

(C) Monitoring the ground water and surface water in accordance with the requirements of Rules .1631 through .1637 of this Section and maintaining the ground-water monitoring system, if applicable; and monitoring the surface water in accordance with the requirements of Rule ~~.0602~~ .0602 of this Section; and

(D) Maintaining and operating the gas monitoring system in accordance with the requirements of Rule .1626 of this Section.

(2) The length of the post-closure care period may be:

(A) Decreased by the Division if the owner or operator demonstrates that the reduced period is sufficient to protect human health and the environment and this demonstration is approved by the Division; or

(B) Increased by the Division if the Division determines that the lengthened period is necessary to protect human health and the environment.

(3) Following completion of the post-closure care period for each MSWLF unit, the owner or operator shall notify the Division that a certification, signed by a registered professional engineer, verifying that post-closure care has been completed in accordance with the post-closure plan, has been placed in the operating record.

Authority G.S. 130A-294.

**CHAPTER 26 - MEDICAL ASSISTANCE**

**SUBCHAPTER 26H - REIMBURSEMENT PLANS**

**SECTION .0600 - HOME HEALTH PROSPECTIVE  
REIMBURSEMENT**

**.0602 REIMBURSEMENT METHODS**

(a) A maximum rate per visit is established annually for

each of the following services:

- (1) Registered or Licensed Practical Nursing Visit;
- (2) Physical Therapy Visit;
- (3) Speech Therapy Visit;
- (4) Occupational Therapy Visit;
- (5) Home Health Aide Visit.

(b) The maximum rates for the services identified in Section Paragraph (a) above of this Rule are computed and applied as follows:

- (1) Payment of claims for visits is based on the lower of the billed customary charges or the maximum rate of the particular service. Governmental providers with nominal charges may bill at cost. For this purpose, a charge that is less than 50 percent of cost is considered a nominal charge. For such governmental providers, the payment amount is equal to the lower of the cost as billed or the applicable maximum rate.
- (2) ~~The maximum rates are derived from a base year selected by the state. The base year maximum rates are set at 90 percent of the median charge per visit for each service. Maximum per visit rates effective July 1, 1996, for Registered or Licensed Practical Nursing, Physical Therapy, Speech Therapy, Occupational Therapy and Home Health Aide shall be equal to the rates in effect on July 1, 1995.~~
- (3) ~~To compute the annual maximum rates, the base year median rates per visit are adjusted as described in Sections (4), (5) and (6): rates effective each July 1 subsequent to July 1, 1996, the maximum rates per visit are adjusted as described in Subparagraphs (4), (5), and (6) of this Paragraph.~~
- (4) ~~Base Each year maximum rates are adjusted by an annual cost index factor. The cost index has a labor component with a relative weight of 75 percent and a non-labor component with a relative weight of 25 percent. The relative weights are derived from the Medicare Home Health Agency Input Price Index and adopted by reference pursuant to N.C.G.S. 150B-14(a)(2)(e) as specified in 150B-21.6, published in the Federal Register dated May 30, 1986. Labor cost changes are measured by the annual percentage change in the average hourly earnings of North Carolina service wages per worker. Non-labor cost changes are measured by the annual percentage change in the GNP Implicit Price Deflator.~~
- (5) The annual cost index equals the sum of the products of multiplying the forecasted labor cost percentage change by 75 percent and multiplying

the forecasted non-labor cost percentage change by 25 percent. The ~~base year~~ July 1, 1996 effective rates are multiplied by the cost index factor for each year ~~subsequent from the base year up~~ to the year in which the rates apply.

- (6) Other adjustments may be necessary for home health services to comply with federal or state laws or rules.

(c) Medical supplies except those related to provision and use of Durable Medical Equipment are reimbursed at the lower of a provider's billed customary charges or a maximum amount determined for each supply item. Fees will be established based on average, reasonable charges if a Medicare allowable amount cannot be obtained for a particular supply item. Estimates of reasonable cost will be used if a Medicare allowable amount cannot be obtained for a particular supply or equipment item. The Medicare allowable amounts will be those amounts available to the Division of Medical Assistance as of July 1 of each year.

(d) These changes to the Payment for Services Prospective Reimbursement Plan for Home Health Agencies will become effective when the Health Care Financing Administration, US Department Health and Human Services, approves amendment submitted to HCFA by the Director of the Division of Medical Assistance on or about July 1, 1996 as #MA96-03 wherein the Director proposes amendments of the State Plan to amend Payment for Services - Prospective Reimbursement Plan for Home Health Agencies.

## CHAPTER 1 - OFFICE OF STATE PERSONNEL

### SUBCHAPTER 1D - COMPENSATION

#### SECTION .2500 - COMPREHENSIVE COMPENSATION SYSTEM

##### .2501 CAREER GROWTH RECOGNITION AWARD

Career Growth Recognition Award is an annual salary increase awarded to an employee whose final overall summary rating is at or above level three of the rating scale and who does not have an unresolved final ~~written warning disciplinary procedure, that involves personal conduct.~~ This is the primary method by which an employee progresses through the salary range. In the event that an employee does not receive a cost-of-living increase, the salary may fall below the minimum of the salary range. This factor alone shall not be justification for any type of salary adjustment.

*History Note:* Authority G.S. 126-7;

*Eff.* June 1, 1994;

*Temporary Amendment Eff.* September 1, 1996.

##### .2503 EMPLOYEES ELIGIBLE FOR CAREER GROWTH RECOGNITION AWARD

(a) An employee having a permanent or time-limited full-time or part-time (half-time or more) appointment whose salary is below the maximum of the range and whose overall summary rating is at or above level three after completing a work cycle based on a work plan shall receive a career growth recognition award unless the employee has an unresolved final ~~written warning disciplinary procedure that involves personal conduct.~~ For an employee who otherwise qualifies for a career growth recognition award, a final written warning is the only justification for not granting this increase.

(b) An employee who has been denied the career growth recognition award because of an unresolved final ~~written warning disciplinary procedure.~~ shall receive the award on a current basis at the time that final ~~written warning disciplinary procedure~~ is resolved. (See 25 NCAC 1D .2514 of this Section) For purpose of calculating the career growth recognition award, only the most recently awarded increase shall be utilized (i.e., the last increase that was funded).

(c) An employee having a probationary or trainee appointment on the date increases are effective is not eligible for a career growth recognition award. These employees become eligible when increases are effective for the next cycle after:

- (1) receiving a permanent appointment,
- (2) completing a work cycle, and

- (3) receiving a summary rating that is at or above level three.

(d) An employee who is on leave without pay on the date career growth recognition awards are granted shall receive the increase on the date of reinstatement if the work cycle has been completed and a summary rating given. If the work cycle and summary rating have not been completed, the employee shall receive the career growth recognition award at the time when both are completed.

(e) An employee who separates from State service prior to the effective date career growth increases are effective is not eligible for the increase.

*History Note: Authority G.S. 126-7;*

*Eff. June 1, 1994;*

*Temporary Amendment Eff. September 1, 1996.*

#### **.2504 EFFECTIVE DATE OF CAREER GROWTH RECOGNITION AWARD**

Career growth recognition awards shall be effective on the first day of July unless otherwise specified by the General Assembly or because they are delayed due to leave without pay or an unresolved final ~~written warning~~ disciplinary procedure.

*History Note: Authority G.S. 126-7;*

*Eff. June 1, 1994;*

*Temporary Amendment Eff. September 1, 1996.*

#### **.2505 COST-OF-LIVING ADJUSTMENT**

Cost-of-Living Adjustment is a general salary increase in response to inflation and labor market factors awarded to an employee whose final overall summary rating is at or above level two of the rating scale, and who does not have an unresolved final ~~written warning~~ disciplinary procedure.

*History Note: Authority G.S. 126-7;*

*Eff. June 1, 1994;*

*Temporary Amendment Eff. September 1, 1996.*

#### **.2507 EMPLOYEES ELIGIBLE FOR COST-OF-LIVING ADJUSTMENT**

(a) An employee having a permanent, time-limited probationary, or trainee full-time or part-time ~~(half time or more)~~ appointment whose overall summary rating is at or above level two, or a rating based on Paragraph (b) of this Rule that is not unsatisfactory, except employees who have an unresolved final ~~written warning~~ disciplinary procedure ~~involving personal conduct~~ on the date that increases are given is eligible for a cost-of-living increase. This applies to all employees regardless of where their salary is in the salary range, including those above the maximum.

(b) For the purpose of granting the cost-of-living adjustment to employees who have not completed a full performance management cycle and received an overall summary rating, the following shall apply:

- (1) ~~Prior to July 1, each~~ Each employee's perfor-

mance shall be reviewed.

- (2) If the review indicates unsatisfactory performance, the employee shall not receive the cost-of-living adjustment until the performance level is above the unsatisfactory level. The actual results of the review shall be documented with the employee.
- (3) If the review indicates that the performance is above unsatisfactory, the employee shall be granted the cost-of-living adjustment.
- (4) If the supervisor feels that the employee has not worked long enough for a determination of performance level to be made, a review shall be made each month for the purpose of determining whether the performance is above unsatisfactory and the cost-of-living adjustment should be granted.
- (5) If the cost-of-living adjustment has not been granted during the probationary period, it shall be granted at the time the employee is given a permanent appointment since the employee's performance must be satisfactory to move from a probationary to a permanent appointment.

(c) An employee who has been denied the cost-of-living adjustment because of an unresolved final ~~written warning~~ disciplinary procedure ~~involving personal conduct~~ shall receive the adjustment on a current basis when that final ~~written warning~~ disciplinary procedure is resolved. (See 25 NCAC 1D .2514 of this Section)

(d) An employee who is on leave without pay on the date a cost-of-living adjustment is effective shall receive the increase on the date of reinstatement if the employee's performance has been determined to be above the unsatisfactory level, or at such time as the employee's performance is determined to be above the unsatisfactory level.

*History Note: Authority G.S. 126-7;*

*Eff. June 1, 1994;*

*Temporary Amendment Eff. September 1, 1996.*

#### **.2508 EFFECTIVE DATE OF COST-OF-LIVING ADJUSTMENT**

Cost-of-living adjustments shall be effective on the first day of July unless otherwise specified by the General Assembly or because they have been delayed due to leave without pay or an unresolved final ~~written warning~~ disciplinary procedure.

*History Note: Authority G.S. 126-7;*

*Eff. June 1, 1994;*

*Temporary Amendment Eff. September 1, 1996.*

#### **.2509 PERFORMANCE BONUS**

Performance Bonus is a lump sum award to an employee whose final overall summary rating is at or above level four of the rating scale and who does not have an unresolved final ~~written warning~~ disciplinary procedure.

*History Note: Authority G.S. 126-7;  
Eff. June 1, 1994;  
Temporary Amendment Eff. September 1, 1996.*

**.2511 EMPLOYEES ELIGIBLE FOR PERFORMANCE BONUS**

(a) An employee having a permanent or time-limited full-time or part-time (half-time or more) appointment whose overall summary rating is at or above level four after completing a work cycle based on a work plan shall be eligible to receive a performance bonus unless the employee has an unresolved final ~~written warning that involves personal conduct~~ disciplinary procedure.

(b) An employee who has been denied a performance bonus because of an unresolved final ~~written warning disciplinary procedure involving personal conduct~~ shall not be eligible for a performance bonus during the current cycle. The employee will be eligible for a bonus in the next cycle based on the ~~performance evaluation~~ overall summary rating.

(c) An employee having a probationary or trainee appointment on the date bonuses are effective is not eligible for a performance bonus. These employees become eligible when increases are effective for the next cycle after:

- (1) receiving a permanent appointment,
- (2) completing a work cycle, and
- (3) receiving a summary rating at or above level four.

(d) An employee who is on leave without pay on the date performance bonuses are effective shall receive the bonus effective on the date of reinstatement if the work cycle has been completed and an overall summary rating given. If the work cycle and overall summary rating have not been completed, the employee shall receive the bonus at the time when both have been completed.

(e) An employee whose salary is at the maximum of the salary range is eligible for a performance bonus.

(f) An employee whose salary is above the maximum of the salary range is eligible for a performance bonus only to the extent that the base salary paid the employee plus the performance bonus allocated according to the employee's performance rating does not exceed the maximum salary paid on the adopted pay schedule for the applicable pay grade plus the allocated performance bonus calculated on the maximum salary on the pay schedule. This performance bonus shall be calculated as follows:

Line	Item	Calculation
1	Maximum of salary range	
2	% bonus due according to performance rating	
3	Dollar amount of performance bonus [Line 1 x Line 2]	
4	Maximum annual salary allowed [Line 1 + Line 3]	
5	Salary of employee paid above maximum of range	
6	Maximum performance bonus for employee paid above the range [Line 4 - Line 5]	
If Line 5 is greater than Line 4, the employee cannot receive a bonus.		

(g) An employee who separates from State service prior to the effective date performance bonuses are effective is not eligible to receive the increase.

Eff. June 1, 1994;  
Temporary Amendment Eff. September 1, 1996.*

**.2513 BASES FOR AWARDED INCREASES**

(a) Each agency shall have an operative Performance Management System which has been approved by the Office of State Personnel using the North Carolina Performance Rating Scale. The complete requirements for an operative performance management system are defined in 25 NCAC 10 - Performance Management System.

(b) Eligibility for increases will be based on the most recent work cycle completed and overall summary rating received during the previous 12-month period.

(c) The performance management system of each agency shall ensure that salary increases are distributed fairly, consistent with internal equity and with the Performance Management System. The State Personnel Director shall

rescind any career growth recognition award or performance bonus that does not meet the intent of the provisions of the performance management rules and require the originating agency to reconsider or justify the increase. An increase or bonus does not meet the intent of the provisions of the performance management rules in the event that increases or bonuses are distributed:

- (1) in an arbitrary or capricious manner;
- (2) in a manner that violates laws prohibiting discrimination; or
- (3) to managers or supervisors whose failure to comply with the performance management rules resulted in the loss of an increase or a bonus by employees under their supervision.

(d) No agency shall set limits so as to preclude an eligible employee from receiving a career growth recognition award, cost-of-living adjustment, or performance bonus; or to initiate written disciplinary procedures for the purpose of precluding an eligible employee from receiving a cost-of-living adjustment.

(e) When a work cycle has been completed but an overall summary rating has not been given, the State Personnel Director has the authority to order the agency to give an accurate rating. If the agency fails to give a rating, the employee shall be given a rating of no less than level 3. Once a rating is given for work performed during a cycle for which the General Assembly has allocated funds for an increase under the Comprehensive Compensation System, the employee shall, if allowed by law and the Administrative Code, be eligible for the increase retroactive to the date that other increases were awarded.

(f) Final Disciplinary Procedure Defined: For purposes of eligibility for salary increases, an employee in final disciplinary procedure is an employee whose personnel file includes:

- (1) two active disciplinary actions of any type; or
- (2) a suspension without pay or demotion.

*History Note: Filed as a Temporary Amendment Eff. July 1, 1994 for a period of 180 days or until the permanent rule becomes effective, whichever is sooner;*

*Authority G.S. 126-4; 126-7;*

*Eff. June 1, 1994;*

*Temporary Amendment Expired;*

*Temporary Amendment Eff. September 1, 1996.*

#### **.2514 FINAL DISCIPLINARY PROCEDURE**

For purpose of this Section only, a final written warning disciplinary procedure is deemed to be resolved: ~~in the event;~~ resolved:

- (1) when it becomes inactive in accordance with 25 NCAC 1J .0614(g);
- (2) when an authorized manager or supervisor places a written statement in the personnel file of an affected employee indicating that the issue addressed in the final written disciplinary procedure, while not inactive, is sufficiently resolved to

warrant the granting of the appropriate salary increase; or

- (3) when the presence of the same final written disciplinary procedure in the personnel file was utilized as a basis to deny a salary increase in a previous performance management cycle.

- (1) ~~that the personal conduct issue is resolved and the warning is removed from the employee's personnel file; or~~

- (2) ~~that the personnel file of the employee contains a written statement from an authorized manager or supervisor indicating that, after review of the personal conduct issue, circumstances warrant the granting of the career growth award; or~~

- (3) ~~that the final written warning disciplinary procedure is not resolved in a manner set forth in Subparagraph (a)(1) or (a)(2) of this Rule; and;~~

~~(A) more than 18 months have passed since the date of the final written warning disciplinary procedure or a letter extending the effect of the warning; and;~~

~~(B) the agency has not tendered notice to the employee of the extension of the final written warning for the purpose of this Section. (The notice of extension may be tendered at any time prior to 18 months from the date of the final written warning or prior to the expiration of 18 months from the date of the prior extension.)~~

~~(b) In the event that neither Subparagraph (a)(1),(a)(2), nor (a)(3) of this Rule are applicable to the final written warning, then the final written warning shall be deemed an active final written warning or an unresolved final written warning.~~

~~(c) This Rule and the granting of increases have no effect on the sue of the final written for any other purpose.~~

*Eff. June 1, 1994;*

*Temporary Amendment Eff. September 1, 1996.*

#### **.2516 ELIGIBILITY FOR SEPTEMBER 1, 1996 LEGISLATIVE SALARY INCREASES**

For purposes of administering the legislative salary increase provisions, effective September 1, 1996, Rules 25 NCAC 1D.2501-.2508 and .2513-.2515 shall apply to the extent there is not a conflict with the following procedures. If there is a conflict, the following procedures shall apply:

- (1) A career growth recognition award shall be granted as follows:

(a) Employees whose salaries are at the maximum shall receive a 2% one-time career growth bonus.

(b) Employees whose salaries are less than 2% from the maximum shall receive a partial increase added to base pay in an amount that it takes to get to the maximum. These

employees shall also receive a one-time career growth bonus in an amount that would equal 2% of the base pay minus the amount of the career growth award given.

- (c) Employees whose salaries are above the maximum shall receive a 2% one-time career growth bonus based on the maximum of the salary range in effect on August 31, 1996.
- (2) The following employees shall receive the cost-of-living increase in accordance with Rule .2507(b)(1)-(5) of this Section:
  - (a) Employees with a probationary appointment,
  - (b) Employees who have not completed a work cycle, and
  - (c) Employees who do not have a performance rating because they were hired after the last performance management cycle was completed.
- (3) After receiving a permanent appointment, employees described in Subitems (2)(b) and (2)(c) of this Rule shall also be eligible to receive a career growth recognition award as provided below in this Item. Each agency shall assure that all employees are reviewed/evaluated by the same method.
  - (a) Each employee shall be given an interim review at the mid-point of the employee's Performance Management Cycle. If their total time of employment is at least equivalent to the agency's minimum Performance Management Cycle requirement, the employee shall be granted a career growth recognition award at that point, if their performance is deemed to be at level 3 or above; or, it shall be granted at the time the employee completes the total time of employment requirement; or
  - (b) Each employee shall be evaluated and given a summary rating after completing time in the new cycle that is at least equivalent to the agency's minimum Performance Management Cycle requirement. If the overall summary rating is at level 3 or above, the employee shall be granted a career growth recognition award. In any event, all these employees, employed prior to September 1, 1996, shall be evaluated for the career growth recognition award by May 31, 1997, and shall receive the career growth recognition award if their rating is at level 3 or above and they are not in final disciplinary procedure.
- (4) Employees with trainee appointments are eligible for the cost-of-living adjustment if they are not in final disciplinary procedure. Employees with

trainee appointments may be eligible for career growth recognition awards under the following circumstances:

- (a) Employees who are scheduled for trainee adjustments are not eligible for the career growth recognition award. They become eligible if they are qualified and are rated for placement into the regular class during this fiscal year, provided their total time of employment is at least equivalent to the agency's minimum Performance Management Cycle requirement. If this requirement has not been met, the increase shall be delayed until it has been met.
- (b) Employees with trainee appointments who are not scheduled for trainee salary adjustments during this fiscal year shall be eligible for the career growth award the same as employees who are in regular classes.
- (c) In any event, all employees shall be evaluated for the career growth recognition award by May 31, 1997, unless they are in a trainee class that extends beyond this date.

N.C. ALCOHOLIC BEVERAGE CONTROL  
COMMISSION.

Petitioner.

v.

BEROTH OIL COMPANY  
T/A FOUR BROTHERS, FOOD STORE #208  
4975 REYNOLDA ROAD  
WINSTON-SALEM, NC 27106  
Respondent.

**RECOMMENDED DECISION**

The above-entitled matter was heard before Fred G. Morrison, Jr., Administrative Law Judge, Office of Administrative Hearings, on July 25, 1996, in High Point, North Carolina.

This hearing was initiated at the request of the Petitioner to determine whether the Respondent has violated the Alcoholic Beverage Control laws. In addition to filing a petition pursuant to G.S. 150B-23, the Petitioner served upon the Respondent a Notice of Alleged Violation alleging that the Respondent or its agents had violated the Alcoholic Beverage Control laws by employee selling malt beverages to Amy Michelle Casper, a person less than 21 years of age, on the licensed premises on or about September 7, 1995 at 8:05 p.m., in violation of G.S. 18B-302(a)(1).

Present at the hearing for the Petitioner was Melissa Owens, Assistant Counsel, ABC Commission, and Glenn Lassiter for the North Carolina Alcoholic Beverage Control Commission.

The Respondent, Beroth Oil Company, was represented by its counsel, T. Paul Hendrick, Hendrick Law Firm, 723 Coliseum Drive, Suite 101, Winston-Salem, North Carolina 27106-5326.

### **FINDINGS OF FACT**

From official documents in the file, sworn testimony of the witnesses and other competent and admissible evidence and stipulations, it is found as a fact that:

1. Respondent, Beroth Oil Company, Inc., T/A Four Brother's Food Store #208, Winston-Salem, North Carolina, held valid ABC permits on September 7, 1995, for off premises malt beverages, fortified and unfortified wine, with one prior ABC violation.
2. On September 7, 1995, at approximately 8:05 p.m., Amy Michelle Casper was working for and under the direct supervision of a Forsyth County municipal ABC agent. Casper entered Respondent's Store #208 located in Winston-Salem, N.C., went to the cooler area and picked up one 22 ounce bottle of Budweiser beer. Casper went to the cashier and paid \$1.16 for the beer. She was not asked for identification.
3. On September 7, 1995, Amy Michelle Casper was 18 years old. She was born April 29, 1977.
4. Notice of Alleged Violation was sent on November 3, 1995, advising Respondent to contact Melissa C. Owens if Respondent wanted to negotiate a settlement in compromise.
5. Ms. Owens and counsel for Respondent negotiated a settlement for Store #208 on November 22, 1995, which stipulated a suspended fifteen (15) day suspension upon payment of a three hundred fifty dollar (\$350.00) fine before January 2, 1996.
6. Respondent sent to the Commission the executed Offers in Compromise for Respondent's store's #208, and #205

and a check for Seven Hundred Dollars (\$700.00) in payment of fines agreed to by Respondent and Ms. Owens. Exhibit A. Respondent's check was negotiated by the Commission on November 29, 1995. Exhibit B.

7. Respondent was later advised by the Commission by a letter dated December 15, 1995, that the Commission's consideration of all Offers in Compromise resulting in suspensions and/or fines was postponed until further notice.
8. Respondent's Offer in Compromise for Store #208 was specifically rejected by the Commission on February 15, 1996.
9. The Commission returned Respondent's funds in the amount of Seven Hundred Dollars (\$700.00) on June 24, 1996. Exhibit C. Respondent returned the State's check to the Commission.
10. The Commission and Respondent acted in good faith on all matters related to the Notice of Violation and Offer in Compromise for Store #208.

#### CONCLUSION OF LAW

1. The North Carolina Alcoholic Beverage Control Commission has the authority to revoke or suspend the permits of a permittee for violations of Chapter 18B of the General Statutes, or any rule of the Commission.
2. The Respondent's employee sold malt beverages to Amy Michelle Casper, a person less than 21 years of age, on the licensed premises, on September 7, 1995 at 8:05 p.m., in violation of G.S. 18B-302(a)(1).
3. The facts of this case support the imposition of the Three Hundred Fifty Dollar (\$350.00) fine agreed to by the parties in November, 1995, as shown by the Offer in Compromise attached as Exhibit D.

#### RECOMMENDED DECISION

It is recommended that Respondent's pay three hundred fifty dollars (\$350.00) penalty in lieu of a fifteen (15) suspension of Respondent's Malt Beverage, Fortified Wine and Unfortified Wine permits for Store #208.

ADMINISTRATIVE HEARINGS

KATHY B. VINSON,  
Petitioner,

v.

NORTH CAROLINA DEPARTMENT OF  
ENVIRONMENT, HEALTH, AND NATURAL  
RESOURCES,  
Respondent.

RECOMMENDED DECISION

The above entitled matter was heard before Beecher R. Gray, administrative law judge, on May 7-8, 1996 in New Bern, North Carolina. The parties filed proposed decisions on August 6, 1996.

APPEARANCES

Petitioner: Marvin Schiller, Esq.

Respondent: Edwin L. Gavin  
Assistant Attorney General

ISSUE

Whether Respondent discriminated against Petitioner on the basis of her gender when it denied her application for promotion to a Field Representative III position in its Morehead City District Office.

FINDINGS OF FACT

1. The parties received notice of hearing by certified mail more than 15 days prior to the hearing and each stipulated on the record that notice was proper in all respects.

2. Petitioner Kathy B. Vinson is a resident of Emerald Isle, North Carolina. She has been employed continuously by the State of North Carolina for 19 years, 15 of which have been with Respondent and the last 6 of which have been with Respondent's Division of Coastal Management. Petitioner is currently at salary grade 71, earning approximately \$41,000 per year. Petitioner is a female.

3. Petitioner began her work with the Division of Coastal Management (Division) in February, 1988 as a Field Representative II. She has remained in that classification since her employment with the Division.

4. Petitioner has an excellent work performance record while working for the Division. Since November, 1989, Petitioner's work performance ratings predominately have been at the highest level attainable. Never has she been rated below very good/exceeds expectations. She was rated in the highest category attainable in her last performance rating prior to the events giving rise to this contested case.

5. The Division's Field Representative II and III positions have generic job descriptions. Both classifications are capable of carrying out both planning and regulatory functions. The Division historically has designated a particular position as either regulatory or planning. Petitioner was hired into a position designated as a planning position.

6. The Field Representative positions designated as regulatory carry out functions such as permitting, inspections, and enforcement. The Field Representative positions designated as planning carry out functions such as beach access, review of Coastal Area Management Act (CAMA) permit applications for consistency with local land use plans, and coordination of land use plans. The Division prefers that its Field Representatives in regulatory positions have scientific educational backgrounds.

7. In April, 1994, the Division posted a position vacancy for a Field Representative III in its Morehead City office. The person who vacated this position was performing regulatory duties. The Division made a conscious decision to continue its designation of this position as regulatory. The vacancy notice contained a stated preference for candidates with regulatory experience.

8. Petitioner applied for the Field Representative III position in the Morehead City Office. Among the other candidates for this position was Ted Tyndall, a male Field Representative I working in the Division's Washington Office in a position designated as regulatory.

9. Both Petitioner and Ted Tyndall met the job qualifications for the vacant Field Representative III position.

10. Petitioner holds a Bachelor of Arts Degree in early childhood education and a Masters of Education Degree in vocational rehabilitation counseling. Petitioner has some experience in regulatory projects while working for the Division, but has not worked in a position designated as regulatory.

11. Ted Tyndall holds Bachelor of Science and Masters Degrees in Biology. As a Field Representative I with the Division in its Washington office, Ted Tyndall worked for two years in permitting, a regulatory function. Prior to his employment as a Field Representative I, he worked for nine years in field biology while a university researcher, a senior scientist and project manager with an environmental consulting firm, or as an environmental technician with Carolina Power and Light Company.

12. Charles Jones, the Division's District Manager for the Morehead City office and Preston Pate, Assistant Division Director for Permitting and Enforcement, conducted structured interviews of eight (8) applicants for the vacant Field Representative III position. Following those interviews, District Manager Jones recommended to Division Director Roger Schecter that Ted Tyndall be promoted to the vacant position because of his scientific education and experience in biology and his experience in the Division's regulatory functions.

13. Prior to the position being filled, Petitioner and District Manager Jones discussed converting the vacant Field Representative III position from regulatory to planning. Petitioner requested that the position be converted to a planning position or that she be allowed to train into the regulatory position since she was generically qualified for the position. On February 21, 1994, District Manager Charles Jones wrote to Division Director Roger Schecter indicating that he had accomplished an internal review and evaluation of whether to leave the vacant Field Representative III position in regulatory or to consider changing it to planning. He recommended that it remain a regulatory position.

14. Division Director Roger Schecter followed District Manager Jones's recommendation and did not convert the primary duties of the vacant position from regulatory to planning. At the time of this position vacancy, the Division had one Field Representative III planner working in its Washington, North Carolina office. Division Director Schecter presented evidence during his testimony in this contested case hearing that he had a long range plan for the Division to have two planners in Field Representative III positions. He communicated this plan to Petitioner in a memo dated September 26, 1994 in which he proposed to reclassify Petitioner from a Field Representative II to a Field Representative III, both in planning.

15. In addition to the Field Representative III planning position in its Washington office, the Division at one time had another Field Representative III planning position occupied by Haskell Rhett, a male. Haskell Rhett vacated that position sometime prior to April, 1993. In April, 1993, Petitioner wrote to Division Director Schecter, raising the issues of inequity in pay grades for planners in the Division and lack of promotional opportunities for planners.

16. The Division has the ability and discretion to switch the duties of a Field Representative III position from planning to regulatory or from regulatory to planning. When Haskell Rhett vacated his Field Representative III planning position prior to April, 1993, the Division changed that position's designation from planning to regulatory.

17. From 1988 through the date of the award of this promotion to Ted Tyndall in 1994, none of the planners on the Division staff, all of whom are classified as Field Representatives I, II, or III, were given promotional opportunities. Among those Field Representatives whose positions are designated regulatory, the current most senior representative who applied has received the first available promotion to a higher level Field Representative position from 1988 through the date of this contested case hearing.

18. At the time this Field Representative III position was awarded to Ted Tyndall, Petitioner was the most senior Field Representative who applied and was qualified for the position.
19. District Manager Jones testified during the hearing of this contested case, that the Division could have redesignated the vacant Field Representative III position to planning, promoted Petitioner into that position, and then hired Ted Tyndall into Petitioner's vacant Field Representative II position, redesignating it as regulatory. Both Petitioner and Ted Tyndall then would have received two (2) pay grade promotions. District Manager Jones and Division Director Schecter were aware that Manager Jones's recommendation, followed by Director Schecter's decision, to keep the vacant Field Representative III position's regulatory designation essentially eliminated Petitioner from the promotion because of her lack of scientific education and regulatory experience.
20. After Petitioner began with the Division in February, 1988 as a Field Representative II, she was assigned an office to be shared with a male, Jim Mercer, a Field Representative III with regulatory responsibilities. In 1988, she went to her supervisor, District Manager Charles Jones, on various occasions to complain about Jim Mercer's treatment of her in the shared office. She complained that Jim Mercer was condescending toward her, treating her as his underling and referring to her as the girl. She complained that Jim Mercer generally made her work environment unpleasant by talking down about women, in addition to his direct actions toward her.
21. Jim Mercer did not testify during this contested case hearing. Petitioner's testimony is the only evidence of the hostile work atmosphere and treatment she received from her office-mate Field Representative III Jim Mercer. Her testimony that she complained to her supervisor, District Manager Charles Jones, and to Assistant Division Director Preston Pate is corroborated by their testimonies in this hearing. Having observed Petitioner's demeanor, and having considered the totality of the evidence in this contested case, I find her testimony on this issue credible.
22. Both District Manager Jones and Assistant Division Director Pate were aware of the treatment of Petitioner by Jim Mercer but took no action to correct it from 1988 until 1993. District Manager Jones and Assistant Division Director Pate joked that a chalk line between Jim Mercer and Petitioner would have to be drawn on the floor of the shared office to resolve the problem.
23. Petitioner's request for relief from this situation finally was granted when District Manager Jones moved Petitioner out of the shared office in 1993. He testified during this contested case hearing that his reason for making the move was because the relationship between Jim Mercer and Petitioner in the shared office had become explosive.
24. Several facts shed light on the attitudes of the supervisory personnel in Petitioner's office and the general atmosphere in the office:
1. Assistant Division Director Preston Pate announced a going away party for David Noble, who was vacating the position Petitioner applied for, and made the statement that no assholes and no women were invited.
  2. Assistant Division Director Pate made the statement, upon discovering the salary of a female planner who was working in Tyrrell County, that "this little girl is making more money than I am".
  3. At a staff meeting in Raleigh, Assistant Division Director Pate asked two female employees to make coffee when they came into the room; he then asked, "what's wrong with the damn women around here?".
  4. Some of the office staff attend a cheers party on Wednesday nights at the home of Charles Pigott, a Field Representative I. No women employees are invited. District Manager Charles Jones has taken action designed to have Charles Pigott's Field Representative I position upgraded to a Field Representative II.
  5. At the time Petitioner filed the present grievance, District Manager Jones had not taken the same action toward getting Petitioner's position upgraded, even though she has requested that it be considered.

**CONCLUSIONS OF LAW**

Based upon the foregoing Findings of Fact, I make the following conclusions of law.

1. The parties properly are before the Office of Administrative Hearings.

2. Petitioner has alleged sex discrimination in Respondent's failure to promote her to a Field Representative III position and therefore bears the burden of proof, by the greater weight of the evidence, that she was not selected for the position because of her sex. North Carolina Department of Correction v. Gibson, 308 N.C. 131, 301 S.E. 2d 78 (1983). While the burden of production may shift during the analysis of this case, the ultimate burden of persuasion remains with Petitioner. St. Mary's Honor Center v. Hicks, U.S. 113 S. Ct. 2742 (1993).

3. The framework for analysis of the evidence produced in this hearing has been established by our courts. The following standards are applicable here:

1. The claimant carries the initial burden of establishing a prima facie case of discrimination.
2. The burden shifts to the employer to articulate some legitimate nondiscriminatory reason for the applicant's rejection.
3. If a legitimate nondiscriminatory reason for rejection has been articulated, the claimant has the opportunity to show that the stated reason for rejection was, in fact, a pretext for discrimination. (citations omitted). Gibson, 308 N.C. at 137, 301 S.E. 2d at 82.

4. Petitioner's status as a female person places her in a protected class for purposes of gender discrimination. She applied and was qualified for a vacant Field Representative III position. She was not selected for the position. A male person was selected for the position. Petitioner thus has established a prima facie case of gender discrimination.

5. Respondent has produced evidence that it hired the male candidate over Petitioner because he has undergraduate and graduate degrees in biology and approximately eleven years of biological field experience, two with the agency in a regulatory capacity as a Field Representative I and nine outside of this agency. Respondent thus has articulated a legitimate nondiscriminatory reason for its decision to promote the male candidate over Petitioner and thereby has produced evidence sufficient to rebut the presumption arising from the prima facie case of gender discrimination established by Petitioner.

6. The totality of the evidence in this contested case demonstrates that Respondent's legitimate nondiscriminatory reasons for promoting a male candidate and rejecting Petitioner's application are pretext for discrimination against her because of her gender.

**RECOMMENDED DECISION**

Based upon the foregoing Findings of Fact and Conclusions of Law, it is hereby recommended that Petitioner receive back pay and all benefits which she would have received had she been promoted to the position of Field Representative III, formerly held by David Noble, in July, 1994. It is recommended that she receive front pay until such time that she is promoted or reclassified to a Field Representative III position, and that she receive attorney's fees in a reasonable amount to be determined by the State Personnel Commission upon submission of appropriate affidavits.

**ORDER**

It is hereby ordered that the agency serve a copy of the final decision on the Office of Administrative Hearings, P.O. Drawer 27447, Raleigh, N.C. 27611-7447, in accordance with North Carolina General Statute 150B-36(b).

**NOTICE**

The agency making the final decision in this contested case is required to give each party an opportunity to file exceptions to this recommended decision and to present written arguments to those in the agency who will make the final decision. G.S. 150B-36(a).

*CONTESTED CASE DECISIONS*

**RECOMMENDED DECISION**

This matter came on for hearing before the undersigned administrative law judge on April 16, 1996, in Waynesville.

Mr.-Randal Seago represented the petitioner. Mr. Kirk Randleman represented the respondent. The petitioner testified and introduced three exhibits. The respondent presented five witnesses and introduced six exhibits. Proposed Findings of Fact were filed by the petitioner on August 26, 1996.

### ISSUES

1. Was the petitioner dismissed for just cause?
2. Was the petitioner's dismissal the result of discrimination based upon her handicapping condition?

### FINDINGS OF FACT

1. Carol Hubbard was employed by the Haywood County Department of Social Services in the years 1994 and 1995 as a clinical social worker. Petitioner was at the time of her employment a citizen and resident of Haywood County, North Carolina, and was at the time of the hearing a citizen and resident of Buncombe County, North Carolina.
2. As a clinical social worker the petitioner had a duty to provide treatment for families who were clients of the respondent and to maintain such records of her performance of duties and other matters as were required by the agency and by state law.
3. Beginning January, 1995, the respondent, by and through its supervisors and managers, directed the petitioner to complete documentation necessary to accomplish closure of certain cases within the Haywood County Department of Social Services.
4. On February 8, 1995, the petitioner advised the respondent that she was the subject of certain disabling conditions and that she required reasonable accommodations. In particular, the respondent advised that she was disabled by encephalitis, that she had suffered from encephalitis in the past, and that encephalitis resulted in psychomotor dysfunction. At that time she provided to the director of the Haywood County Social Services Department records of the Vocational Rehabilitation agency concerning the period of her employment with the respondent. The psychomotor dysfunction disability that the petitioner referred to in her request for accommodations was referred to in the Vocational Rehabilitation records. In particular, her weakness in the ability to convert information to written words was noted.
5. On March 10, 1995, the respondent took a first step disciplinary action and asserted unacceptable job performance. The respondent indicated to the petitioner that she had failed to close cases as directed in memos from her supervisor.
6. On May 3, 1995, the petitioner received a second step disciplinary action related to her job performance. The second step disciplinary action was delivered to the petitioner in the form required by the respondent's policies.
7. On May 15, 1995, the respondent received a letter from the petitioner's treating psychologist, Dr. Mary Wheeler. Dr. Wheeler diagnosed the petitioner as having a major depressive episode.

8. On May 23, 1995, the petitioner received a third step disciplinary action. The third step disciplinary action was taken according to the policies of the respondent.
9. On June 12, 1995, the Director of the Haywood County DSS received a letter from the petitioner's treating psychologist, Dr. Mary Wheeler. The letter established two things: first, that she was subject to a disabling condition; secondly, that with reasonable accommodations she could continue to perform the essential functions of her job. The psychologist wrote and it is found as a fact that:

You have requested that evaluate Carol's disabilities and the effects they have on her ability to perform the essential functions of her position. Since I am not a VR counselor, I will direct my comments mainly to the disability caused by the Axis diagnoses listed above. Nevertheless, I would also mention that Carol has worked in the social work field for many years without specific accommodations for the disability caused by psychomotor dysfunction secondary to post-encephalitis. It appears that this disability became a noticeable problem when Carol had to quickly remedy a backlog in paper work that everyone in her department was experiencing. Apparently, she had asked for accommodations in January, 1993, when she started getting behind. When a computer was denied, she continued to fall further behind and has not been able to catch up as quickly as others. In the past few months, she has reported to me feeling singled out and Observed more than others, and this has contributed to her anxiety and depression. As she became more anxious about her performance, she has been less able to function and more aware of her job being threatened as a result, and then felt more anxious.

In regard to potential limitations in her work, Carol's psychological symptoms would certainly exacerbate her primary disability of psychomotor retardation and decrease her ability to function in relations to those tasks which require attention, concentration, energy and self-confidence.

You have asked what type of reasonable accommodations are needed at this time. I would hope that there could be some turnaround in the vicious cycle that has developed. This would not be a time to expect her to easily or quickly learn a new skill that requires intense concentration and coordination, such as using a computer for her paperwork. However, it appears that is what would be most helpful at this time. Your understanding that taking time to learn computer skills would probably result in a short-term loss of efficiency would probably be helpful to her. I believe that as her medication becomes adjusted she will have more ability to concentrate and more energy to apply to this task.

10. On July 6, 1995, the employer terminated the petitioner's employment.

#### CONCLUSIONS OF LAW

1. The petitioner was a permanent employee of the Haywood County Department of Social Services and therefore subject to the protection of the State Personnel Act, GS Chapter 126.
2. The Petitioner is a "handicapped person" as defined in G.S. 168A-3(4) and a "qualified handicapped person" under G.S. 168A-3(9).
3. The respondent failed to provide reasonable accommodations to the petitioner by failing to make accommodations which would have enabled her to perform the job of Clinical Social Worker. Reasonable accommodations would include providing a period of time to learn computer skills and to adjust to her medication in order to allow the petitioner a period of time to become proficient at the computer.
4. The petitioner's dismissal was the result of discrimination based on a handicapping condition.
5. The petitioner was dismissed without just cause.

#### RECOMMENDED DECISION

It is recommended that the petitioner be reinstated with back pay and attorney fees. It is also recommended the respondent provide reasonable accommodation to the petitioner.

**NOTICE**

The final decision in this contested case will be made by the State Personnel Commission. The parties have the right to file exceptions to this recommended decision and to present written arguments to this agency. The agency will mail a copy of the final decision to the parties, the attorneys of record and the Office of Administrative Hearings.

This the 3rd day of August, 1996.

Based upon the official documents in the file, sworn testimony of the witnesses, and other competent and admissible evidence, the undersigned makes the following:

**FINDINGS OF FACT**

1. The Petitioner was employed by the Respondent as a data entry operator for a period of approximately four years

from August 15, 1990, until November, 1994.

2. The Petitioner's employment records indicate that she is an excellent data entry operator.
3. On August 6, 1992, the Petitioner received the first of several warnings regarding her absences from work. The Petitioner's absences were exceeding the number of days of leave available to her.
4. During 1993, the Petitioner's absenteeism resulted in her pay being docked (leave without pay) for the months of April, May, June, August September, October, and December. She received an Oral Warning in June, 1993 regarding her absenteeism. A Written Warning prepared in December, 1993 was not given to the Petitioner after she met with the Respondent's Commissioner, Alexander Killens.
5. In January, 1995, the Respondent requested that the Petitioner have her physician provide a medical statement regarding the nature and duration of her illness. The Petitioner was also asked to sign a medical release form so that the Respondent could have medical information from the Petitioner's doctor released to it.
6. The Petitioner refused to sign a medical release form because she did not want all of her medical records released to the Respondent and no one specified or explained to her exactly which documents the Respondent wanted. The medical excuses the Petitioner presented to the Respondent did, however, contain a permission to release medical information statement that the Petitioner signed on several different occasions.
7. During the latter part of June, 1994, the Petitioner was diagnosed as suffering from episodic urticaria/angioedema, possibly related to a food allergy.
8. On July 1, 1994, the Petitioner filed a Complaint and Motion for Domestic Violence Protective Order against her husband, Anthony Taylor. A hearing was scheduled for July 11, 1994.
9. On July 5, 1994, the Petitioner had an allergic reaction which caused her face, throat, and tongue to swell. She was placed on a trial dosage of hydroxyzine.
10. On July 6, 1994, the Petitioner's supervisor, Eula M. Williams, counseled the Petitioner about "docking of time, coming to work late and absenteeism." The written documentation of the counseling session noted that the Petitioner had been docked during the months of February, March, April, May, and June of 1994.
11. The Petitioner told Ms. Williams that her absences were due to illness. The Petitioner was left with the impression that Ms. Williams did not believe the Petitioner was really ill.
12. Ms. Williams testified that she did not believe that the Petitioner was always as sick as she portrayed. Ms. Williams felt that there were occasions when the Petitioner could have come in to work and utilized the sick room at work when she was not feeling well.
13. In July, 1994, a dispute regarding the Petitioner's time sheet arose. As a result of this dispute, the Petitioner was no longer allowed to work overtime to make up hours she had missed from work.
14. The Respondent referred the Petitioner to the Employees' Assistance Program. Through that program, the Petitioner was referred to a Psychiatrist and began undergoing counseling and treatment for depression.
15. During the time period between July 7, 1994 and July 18, 1994, the Petitioner was absent for the following periods:

July 7	Dentist	0.6 hours
July 8	Sick-arrived late	4.5
July 11	Went to Court	3.0
July 12	Sick	8.0
July 13	Sick	8.0
July 15	Sick	8.0
July 18	Sick	<u>8.0</u>
		40.1

16. On July 22, 1994, Ms. Williams issued the Petitioner a Written Warning in which it was asserted that the Petitioner's "attendance record is inexcusable and cannot be allowed to continue in this manner under any circumstances." The Petitioner was advised that an immediate correction of her attendance pattern was necessary if she wanted to continue her employment with the Respondent.
17. During the period from August 1, 1994 through September 2, 1994, the Petitioner missed the following time from work:
 

8/1, 4 & 5	Sick	24.0 hours
8/15, 16, 17, 18 & 19	Sick	40.0
8/25	Sick	8.0
8/29, 30 & 31	Sick	24.0
9/1 & 2	Sick	<u>16.0</u>
		112.0
18. On September 7, 1994, Ms. Williams issued the Petitioner a Second Written Warning regarding her absenteeism and the docking of the Petitioner's time. The Petitioner was informed that her "attendance record is not acceptable and is inexcusable." The Petitioner was further told that "any future docking will not be tolerated."
19. In response to the Second Written Warning, the Petitioner again explained that she was ill. She also informed the Respondent that she does not know from day to day when she will be affected by her urticaria.
20. The Petitioner was asked if she would consent to having her doctor provide statements regarding her illness, explaining whether her condition "is long term or short term, whether it renders her unable to perform her duties as a Data Entry Operator, whether her medication produces the same effect." The Petitioner refused to consent to the Respondent contacting her physician but continued to present medical excuses from her doctor regarding some of her absences from work.
21. On October 14, 1994, the Petitioner received a Final Written Warning regarding her absenteeism and the docking of her time. The Petitioner was informed that "failure to initiate any necessary remedial action to improve your work attendance to an acceptable and continuous level will result in termination of your employment. . . ."
22. The Petitioner was absent from work 67.3 hours during the period from October 14, 1994 through October 18, 1994.
23. The Petitioner did not report to work during the period from October 28, 1994 through November 16, 1994.
24. Ms. Williams called the Petitioner on November 14, 1994 and told her that she needed to come in for a Predissmissal Conference. The Petitioner asked Ms. Williams what a Predissmissal Conference was and wanted to know when had they dismissed her. Ms. Williams told the Petitioner that they would discuss that when she came in. The Petitioner told Ms. Williams that she had a doctor's appointment on November 15, 1994.
25. Ms. Williams did not give the Petitioner a specific time or date for the conference.
26. The Respondent did not notify the Petitioner in writing of her proposed termination prior to scheduling a predissmissal conference.
27. The Petitioner did not report to work on November 15, 1994. She called in after she went to her appointment with her doctor and informed the Respondent that she was having medical problems.
28. The Petitioner spoke with Addie M. Avery, the Assistant Director of Driver License Section on November 15, 1994, and asked her what a Predissmissal Conference was.
29. On November 16, 1994, the Respondent sent the Petitioner a letter informing her that "[d]ue to unexcused absences from work since July 6, 1994, [her] employment with the Division of Motor Vehicles, Driver License Section, is terminated effective at the close of workday, November 16, 1994."

Based on the foregoing Findings of Fact, the undersigned Administrative Law Judge makes the following:

CONCLUSIONS OF LAW

1. The Office of Administrative Hearings has jurisdiction over the parties and the subject matter pursuant to Chapters 126 and 150B of the North Carolina General Statutes and has the authority to issue a recommended decision to the State Personnel Commission which shall make the final decision.
2. North Carolina General Statutes §126-35 states that “[n]o career State employee subject to the State Personnel Act shall be discharged, suspended, or demoted for disciplinary reasons, except for just cause.” “Just cause” dismissals are defined in the North Carolina Administrative Code in Title 25, r. 1J.0604. That section states:

There are two bases for the discipline or dismissal of employees under the statutory standard of “just cause” as set out in G.S. 126-35. These two are:

  - (1) Discipline or dismissal imposed on the basis of unacceptable job performance;
  - (2) Discipline or dismissal imposed on the basis of unacceptable personal conduct.
3. Unacceptable personal conduct is defined in relevant part as “the willful violation of known or written work rules.” 25 NCAC 1J .0604(d)(4) (Effective March 1, 1994). Unacceptable job performance is defined as “the failure to satisfactorily perform job requirements as specified in the job description, work plan, or as directed by management.” 25 NCAC 1J .0604(c) (Effective March 1, 1994). In a dismissal based upon unsatisfactory job performance, the employee must receive a minimum number of warnings prior to dismissal. (State Personnel Manual, Sec. 8).
4. Chronic absenteeism from the workplace can result in disruption of the work flow and therefore, is a legitimate employer concern. Depending upon the amount of leave available to an employee, chronic absenteeism can result in termination from employment based upon either “just cause” or “unavailability for work.” When medical issues are concerned, the Family and Medical Leave Act (“FMLA”) comes into play. There are also situations where the absences may be the result of a handicap that the employer must make a reasonable attempt to accommodate under the Americans with Disabilities Act (“ADA”).
5. The Respondent contends that it dismissed the Petitioner due to her unavailability for work. A termination based upon unavailability for work requires that the employer do the following: a) notify an employee of the proposed separation due to unavailability; b) notify the employee of the efforts taken to avoid separation, and why the efforts were unsuccessful; c) give the employee an opportunity to propose alternative methods of accommodation; d) respond to the employee’s alternative proposals regarding accommodation. This procedure was not followed with the Petitioner.
6. Whether the Respondent had just cause to terminate the Petitioner depends upon whether the FMLA and/or ADA are applicable to the Petitioner’s circumstances.
7. Since the Petitioner was being docked, she had obviously exhausted all of her available paid leave. The record does not indicate how many days the Petitioner missed from work due to medical problems in 1994. If her medical absences exceeded the twelve weeks provided for by the FMLA, then her absences could be considered excessive and cause for termination based upon just cause when the appropriate warnings had been issued, which was the case here.
8. The medical records the Petitioner provided to the Respondent were not sufficient to establish that she has a handicapping condition. The additional medical records produced as evidence at the hearing also fail to establish that the Petitioner is handicapped.
9. Even if the Respondent had just cause to dismiss the Petitioner for excessive absenteeism, it did not follow the proper procedure. The Petitioner was not given written notice of the reasons for her proposed dismissal. Instead she was told she needed to come in for a Predissmissal Conference. There were no exigent circumstances that required the Respondent to act immediately in regard to its determination that the Petitioner’s continued absence from work warranted dismissal.
10. The Petitioner had the burden of showing that she had not exceeded the number of absences allowed by the FMLA or that she had a handicapping condition that the Respondent could have reasonably accommodated. The Petitioner

failed to meet either burden of proof.

11. Since the Petitioner failed to prove either that her absences were covered by the FMLA or that she had a handicap as that term is defined in N.C. Gen. Stat. §168A-3, the Respondent had grounds to dismiss her on the basis of either unavailability for work or just cause based upon the Petitioner's absenteeism.
12. Pursuant to the State Personnel Commission's rules, procedural violations of the type involved in this case can entitle a petitioner to an award of back pay or attorneys' fees, or both for such a period of time as the Commission determines is appropriate.

### **RECOMMENDED DECISION**

The North Carolina State Personnel Commission ("Commission") will make the Final Decision in this contested case. It is recommended that the Commission adopt the Findings of Fact and Conclusions of Law set forth above and uphold the Respondent's decision to dismiss the Petitioner, but as a result of the procedural violations, award the Petitioner back pay or attorneys' fees, or both for such a period of time as the Commission determines is appropriate.

### **ORDER**

It is hereby ordered that the agency serve a copy of the Final Decision on the Office of Administrative Hearings, P.O. Drawer 27447, Raleigh, N.C. 27611-7447, in accordance with North Carolina General Statutes section 150B-36(b).

### **NOTICE**

Before the State Personnel Commission makes the FINAL DECISION, it is required by North Carolina General Statutes section 150B-36(a) to give each party an opportunity to file exceptions to this RECOMMENDED DECISION, and to present written arguments to those in the agency who will make the final decision.

The Commission is required by North Carolina General Statutes section 150B-36(b) to serve a copy of the FINAL DECISION on all parties and to furnish a copy to the Parties' attorney of record.

This the 29th day of August, 1996.

*The North Carolina Administrative Code (NCAC) has four major subdivisions of rules. Two of these, titles and chapters, are mandatory. The major subdivision of the NCAC is the title. Each major department in the North Carolina executive branch of government has been assigned a title number. Titles are further broken down into chapters which shall be numerical in order.
